

MAGIC TEAMWORK

AT MAGIC BAVARIA EXPERIENCE MUSEUM

MAGIC MEETS BUSINESS

A UNIQUE VENUE FOR TEAM DAYS, WORKSHOPS AND NEW PERSPECTIVES

WHAT IS MAGIC TEAMWORK?

Experience it instead of just talking about it

Imagine a team experience in which your collaboration is not only discussed, but can actually be felt.

With MAGIC TEAMWORK, you step into an extraordinary and surprising world of experiences: mirror rooms, light installations and interactive stations create a creative and innovative setting that opens up thinking and makes new perspectives possible.

At the same time, you work strategically, on content and/or creatively on your goals and are guided by a professional and experienced trainer

The result is real group dynamics that take your team to the next level.

WHO DID WE DEVELOP MAGIC TEAMWORK FOR?

- For teams that want more than a classic team event.
- For leaders who want to rethink collaboration.
- For companies looking for team days with real added value and a desire to make a real impact.

Ideal for change processes, new teams, strategy phases or as an inspiring offsite experience.

THE BENEFITS OF MAGIC TEAMWORK

OUR FORMATS

TAILORED CONTENT

Build your own MAGIC TEAMWORK day

You decide how intensive, strategic or experience-driven your day should be. Every combination connects experience, team building and real collaboration.

Combine your day with inspiring impulses or a seminar, for example:

The sabre-toothed tiger at work:

Understand stress, regain focus and strengthen mental clarity

Shit Happens:

From a culture of mistakes to a culture of learning within the team.

Climate change in the office:

Rethink collaboration and better understand team dynamics

Dealing with difficult people:

Clear communication and confident behavior in everyday work.

Tips for a mixed-generation team:

Understand generations in the team: make different expectations visible and use them productively

Communication that works:

Reduce misunderstandings and strengthen connection.

... or a custom topic tailored to your needs and wishes. The concept and facilitation by your trainer are included in the offer.
